Competitive Advantage

2003

- Taiwan office earned SONY's Green Partner certification.

2005

- Dongguan Factory earned Canon's Green Partner certification
- Taiwan / Suzhou / Dongguan Factory obtained ISO 14001 Environmental Management Systems

2007

- SONY verified our Suzhou Factory as their Green Partner

2008

- Suzhou Factory Earned Pegatron's Green Partner certification
- Promote non-halogenated products, reduce the use of halogen barriers in response to green product design

2010

- Carrying out ISO 14067's Carbon Footprint Verification

2011

- Taiwan / Suzhou / Dongguan Factory reached QC 080000 Hazardous Substance Process Management System Requirements

2012

- Chongqing Factory reached ISO 14001 and QC 080000 requirements
- Dongguan Factory verified by ISO 14064-1 Greenhouse gases inventory certification

2013

Suzhou Factory verified by ISO 14064-1 Greenhouse gases inventory certification

2020

Earned Swisscom's Sustainable development Program (SDP) Award-Grade Silver

2021

Taiwan office verified by ISO 14064-1 Greenhouse gases inventory certification
Published a self-complied sustainability report

2024

- Received the Excellence Award for Age-Friendly Workplace Certification from the New Taipei City Government
- Ranked in the Top 6%-20% among listed companies in the Corporate Governance Evaluation. Ranked Top 1% among listed and OTC companies with a market capitalization below NT\$5 billion
- Awarded Dun & Bradstreet Sustainability Rating - Grade A
- Suzhou Factory certified to ISO 50001 Energy Management System

2023

- Ranked in the Top 6%-20% of Listed Companies in the Corporate Governance Evaluation
- Received a "C Management Level" rating in the International Carbon Disclosure Project (CDP)
- Achieved a 26.1% reduction in group Greenhouse Gas Emissions compared to the 2021 baseline year
- Taiwan office joined CDP and TCFD proposal.
- Taiwan office obtained ISO27001 certification.
- Chongqing Factory had completed the construction of photovoltaic power generation and put it into operation
- CEO Lawrence Yang was recognized as one of the "Top 100 MVP Managers of 2023" by Manager Today magazine and received the "Digital Innovation Award" in his category.

2022

- Ranked in the Top 36%-50% of Listed Companies in the Corporate Governance Evaluation
